Dear Stan,

I am pleased to enclose herewith our checks totaling \$236,382.82 representing the final balance due for the construction of the new Renner's Supermarket at our Oxford project.

Although I am not one to often compliment, in this instance I must say that you did a magnificent job bringing the building in on time and on budget. We appreciate your efforts and look forward to working with you on further projects.

Best regards for the Holiday Season.

Very truly yours,
