Douglassville, PA 19518
Attn: Mr. Jack Ayres

Dear Jack,

I just wanted to take a moment to thank SMJ Contracting, Inc. for the prompt and professional service you rendered at my rental home on 219 Norris Avenue in Phoenixville, PA.

The storm in February 2011 caused dangerous damage to my property, prompting me to obtain emergency estimates for the necessary repairs. I had received very high estimates from other contractors, but SMJ Contracting, Inc. was able to offer the service for half of the other quotes I received. It felt like the other contractors were merely taking advantage of my emergency situation. My tenants and I were also very appreciative of how Mr. John Brooks kept us constantly updated on the situation, and his availability to answer any questions we had was also greatly appreciated.

I will highly recommend SMJ Contracting, Inc. to all of my family and friends!
Thank you again for all of your honest and hard work.

Sincerely,

Leigh Ann Massinger
