RE: Upper Perkiomen Middle School Entrance Modifications  
Upper Perkiomen School District

Dear Mr. Ayres;

It is not often that I have the pleasure of writing a letter of recommendation at the end of a construction project. However, I would like to compliment you and SMJ Contracting Inc. for the quality work, high level of cooperation, professionalism and excellent project communication during the past middle school project. The suggestions offered and attention to detail by SMJ and your subcontractors were appreciated and made for a better and more cost effective project. Therefore, I would be happy to provide a reference to any future clients if the need were to arise. Thank you again, and I will keep you informed of any future projects in our district.

Sincerely;

John W. Sheeran, P.E.  
Supervisor of Facilities & Operations
